For children from 3 to 8 years of age, with many colorful pictures

Tim and Suzy go grocery shopping without their mum for the first time. They want to spend the change on bubble gum, but they know that mum won't like that. Will they be able to be obedient in little things?

Have you met the Millers that live on Willow Lane? There are Tim, Suzy, little Lisa, Mom, Dad and Grandma Mary. Together, they live in a beautiful house very close to the forest and a big playground.

In the series "Life on Willow Lane", you dive into stories about what the Millers are experiencing with Jesus, how they learn to forgive others, to trust God, to be thankful for everything and much more...
